Picture King®

Product Information

Suitable for rental, education and meeting room presentations.

Highest quality professional tripod screen that stands up to the most intense and frequent usage.

TECHNICAL CHARACTERISTICS

- Heavy duty aluminum extruded legs with toe release ensures a wide stance for maximum stability.
- Screen height is adjustable to accommodate any ceiling height with self-locking extension tube and high-low case adjustment.
- Built-in fabric lock secures screen fabric during transport and use to present shifting.
- Built in keystone eliminator tilts the screen forward to compensate for distorted images (except on 244 x 244 cm model).
- 4:3 format features black borders.
- Black borders serve to frame the image and enhance perceived contrast.
- 1:1 format includes side borders.
- Seamless in all sizes.
